We know that summer schedules can be hectic with vacations, camps and work schedules. So we try to make it easier on families...You choose the weeks to attend and you can even mix and match times. PEG is also the *only* program in town to offer make-up lessons for missed classes. All we ask is that you pre-schedule them with the office and that all make-up lessons are completed before the end of Week 10. Tuition is non-refundable and non-transferable to Fall Classes.

New students are welcome to start classes at any time. We have a special summer registration fee of only \$10 for those wanting to try gymnastics if just a little while. This amount will be applied to the annual \$25 registration fee in the fall if the student decides to continue classes at PEG.

We even offer sibling discounts for classes and camps. A \$5 Sibling Discount will be applied for every four classes your children are signed-up or when siblings sign-up for any of our camp sessions. Sibling discount will not apply if taking the 10 class discount.
