

OUR MISSION STATEMENT AND PHILOSOPHY

Palouse Empire Gymnastics is dedicated to promoting self-esteem and confidence for each student through the participation and enjoyment of gymnastics. PEG is committed to providing an environment which is not only fun, safe and professional, but also captures the essence of childhood!

Instructors at PEG use drills that introduce the skills in smaller, more achievable goals. Strength and flexibility challenges are presented as well as games and safety drills.

Our preschool classes are designed to introduce the young child to the skills in gymnastics, but more importantly to develop coordination for all sports. Children will experience a variety of challenges in order to develop basic motor skills, strength and flexibility.
